

Alexandria Technical & Community College

Alexandria Technical and Community College (ATCC) is known for its hands-on approach to learning. ATCC is making an impact in the Alexandria Lakes area, while attracting students from near and far alike. ATCC keeps its focus on workforce training and success through its Program Advisory Boards. With the keen guidance of advisory members, the college anticipates what is happening in the industry then aligns its curriculum accordingly. This relationship helps account for its high job-placement rate. Offering careers in health and education, business and information technology, design, manufacturing, transportation, and transfer opportunities, ATCC is also known for one of the largest peace office education and training programs in Minnesota – making an impact in every corner of the state.

Contributing to the Minnesota Economy

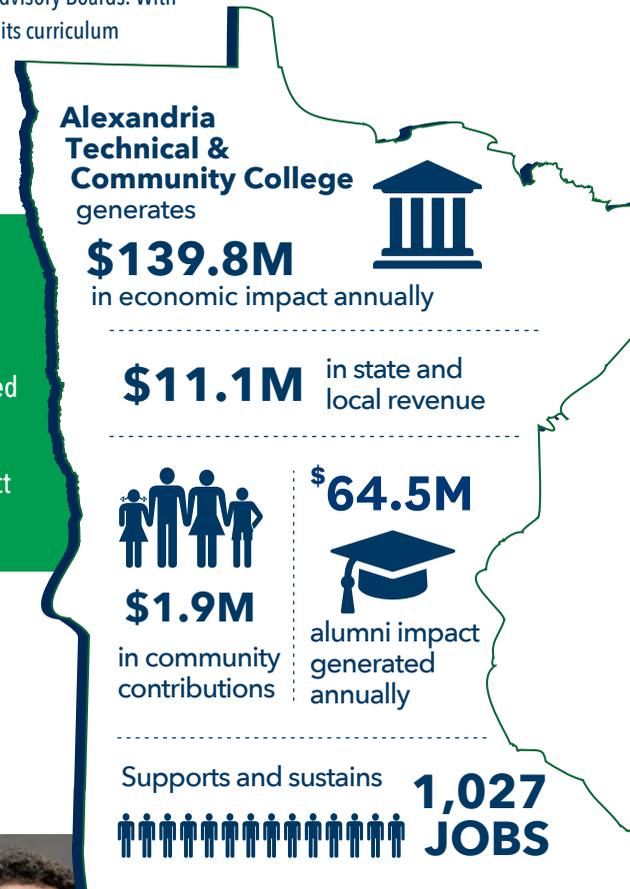

- Alexandria Community & Technical College generates an annual impact of **\$139.8 million**. This includes a direct impact of \$77.3 million and an indirect/induced impact of \$62.5 million.
- Spending on operations and capital projects generate \$61.8 million of the total impact and \$78 million from student and visitor spending.

Supporting and Sustaining Jobs in the State

- Alexandria Community & Technical College supports more than 1,027 Minnesota jobs (723 direct and 304 indirect/induced). These jobs are at the college and in the community – 206 are employees of Alexandria Community & Technical College.

Generating Local and State Tax Revenue

- The combined tax impact of Alexandria Community & Technical College, its suppliers, students and visitors was **\$11.1 million**. This includes a direct impact of \$7.5 million and indirect/induced impact of \$3.6 million.

Alumni in the State Generate Additional Impact

An estimated 17,480 Alexandria Technical & Community College alumni living and working in Minnesota are continuing to make a positive economic impact after graduation. These graduates are an integral part of the Minnesota workforce, impacting the economy not only through their spending but also through the extra earning power generated by their Alexandria Technical & Community College degree.

Each year, Alexandria Technical & Community College alumni generate \$64.5 million in economic impact for Minnesota, support and sustain 344 jobs. Over their 40-year career, Alexandria Technical & Community College alumni will generate \$2.6 billion in the economy. These impacts are based on the added value of earning a degree from Alexandria Technical & Community College, not alumni full wages. This impact is based upon the total number of alumni in Minnesota 10 years after graduation.

Making a Difference in the Community and State

Pi Theta Kappa, the international honors society at Alexandria Technical & Community College, focuses on scholarship, leadership, fellowship, and service. Students complete many projects including sending holiday cards to residents of nursing homes, collecting food for the campus food pantry, and sponsoring speakers on campus.
